Let's Roll!

Join representatives from Northeast Ohio's animal control organizations, humane societies, shelters, rescues and veterinary community to discuss ways we might work together to reduce the number of animals ending up on our doorsteps. Together, we'll examine spay/neuter needs and resources in our area, hear about programs that are working in other parts of the country, and explore options for the development of new spay/neuter initiatives here.

Friday, May 7, 2004 9am – 4pm
Holiday Inn, Independence 6001 Rockside Road (at I-77 and I-480)

\$25 per person (\$20 for each additional person attending from your organization)
