

Traveling Bag for Emergency Evacuation

For your pets

- Pet first-aid kit (you can purchase or make your own)
- 7-10 days' worth of canned (pop-top) or dry food (be sure to rotate every two months)
- Disposable litter trays (aluminum roasting pans are perfect)
- Litter or paper toweling
- Liquid dish soap and disinfectant
- Disposable garbage bags for clean-up
- Pet feeding dishes and water bowls
- Extra collar or harness as well as an extra leash
- Photocopies and/or USB flash drive containing medical records
- Waterproof container with a two-week supply of any medicine your pet requires (food and medications need to be rotated out of your emergency kit or they may go bad or become useless)
- At least seven days' worth of bottled water for each person and pet (store in a cool, dry place and replace every two months)
- A traveling bag, crate or sturdy carrier, ideally one per pet
- Flashlight
- Blanket
- Recent photos of your pets (in case you are separated and need to make "Lost" posters)
- *Especially for cats:* pillowcase, toys, scoopable litter
- *Especially for dogs:* extra leash, toys and chew toys, a week's worth of cage liner

For human family members

- Batteries
- Duct tape
- Flashlight
- Radio
- Multi-tool
- Tarp
- Rope
- Permanent marker
- Spray paint
- Baby wipes
- Protective clothing and footwear
- Extra cash
- Rescue whistle
- Important phone numbers
- Extra medication
- Copies of medical and insurance information

Ideally, you will have already microchipped your pet and created an [emergency route plan](#).
