Job Title: Clinic Director
Department: Spay/Neuter Alliance
Salary/Pay Grade:
Location: FLSA Exemption: Exempt
Supervisor: Board

JOB SUMMARY
The Clinic Director is in charge of the day-to-day operations for the entire clinic and supports the Board in ensuring the overall financial and emotional health of the organization and that the organization is meeting its goals and mission. The Clinic Director delegates duties as needed to achieve clinic goals and oversees support staff to ensure individual duties are being completed, but ultimately is expected to step in and work alongside staff as needed to meet goals. This position is a supervisory position, and the successful candidate will be expected to provide leadership, direction and discipline when necessary. The Clinic Director will manage and diffuse staff interpersonal issues. The Clinic Director will serve as point person for the dissemination of information to staff.

DUTIES & RESPONSIBILITIES
1. Manages the human resources of the clinic including, but not limited to:
   • Handles recruitment, employment, and release of all personnel, both paid staff and volunteers;
   • Maintains personnel files (I-9s, documentation of trainings, discipline, reviews);
   • Tracks employee time off (requested and approved);
   • Tracks employee insurance deductions for those on clinic insurance;
   • Handles payroll;
   • Oversees employee time clock;
   • Maintains employee handbook updates;
   • Maintains sound HR practices.

2. Ensures proper training of staff and team building for all staff including but not limited to:
   • Responsible for managing the day-to-day operations of the clinic;
   • Provides regular performance reviews and check ins;
   • Ensures policies in medical and admin manuals are followed and updated as needed;
   • Ensures proper procedures are in place for animal handling, disease control, and patient care;
   • Ensures staff are properly trained and using their time efficiently and effectively;
   • Ensures the clinic has proper working equipment and supplies and that the clinic is in compliance of all regulations and codes;
   • Actively supports associate staff and volunteers, and promotes the development of skills related to the advancement of our goals and mission;
   • Follows the clinic philosophy and guiding principles;
   • Ensures that the public receives world-class customer service that is courteous, respectful and professional service from all staff according to our philosophies and guiding principles, and handles client complaints or concerns so the situation is diffused;

Updated: 2/8/18
• Fills in for positions in the clinic where needed;
• Conducts and participates in meetings with staff to review procedures, discuss workplace issues and share ideas. Meets with the Board to develop long-range programs, review policies and procedures, and financial statements.

3. Financial Oversight
• Recommends yearly budget for Board approval and manages clinic’s resources within those budget guidelines.
• Measures clinic performance with regards to finances and specific program services and maintains daily, weekly, and monthly clinic reports.
• Markets the clinic to increase our client base by outreach to the public and developing relationships with humane and professional agencies for referrals.
• Writes written materials including appeals, newsletters, social media posts, and website materials in conjunction with Development staff.
• Secures ongoing funding for clinic through building donor relations, corporate sponsorships, in-kind donations, special events, and increasing client usage at the clinic.
• Manages accounts receivable accounts to ensure accounts are paid in prompt manner.
• Assist treasurer in invoice payment and maintaining a chart of accounts.
• Reviews all invoices prior to approving including credit cards, ER bills, and vendors.
• Reviews medical and office inventory spreadsheets to ensure proper spending.
• Handles daily deposits.
• Monitors financial statements from the treasurer and adjusts spending as necessary to remain within budget on all line items.

4. Media
• Handles media including but not limited to, writing and sending press releases, media interviews and maintaining relationships, determining media policies in conjunction with the ED.
• Oversees social media including but not limited to Facebook, Twitter, Google AdWords, and the organization’s website.
• Design of materials for promotions, marketing, and fundraisers.

5. Actively promotes spay and neuter, and educates clients on responsible pet care.

6. Represents the clinic in a professional, courteous manner at all times.

7. Participates on committees and special projects as assigned. This may include, but is not limited to, such projects as speaking engagements and community education.

8. Periodically attend Board meetings to provide a status of clinic operations.

9. Other duties as assigned.
SKILLS & SPECIFICATIONS
This position requires multi-tasking in a fast-paced, dynamic environment. Flexibility and adaptability will be invaluable as job duties may fluctuate from day to day and even moment to moment. The ability to communicate assertively and effectively with staff and clientele is essential. The ideal candidate will demonstrate self-initiative and the capacity to work independently. The Director must be able to objectively evaluate clinic logistics and implement working solutions to inefficiencies in real time. Work duties may include occasional weekends and evenings, with advance notice, and the Clinic Director should anticipate occasional disruptions of his/her personal life after work hours (employees calling off, scheduling crisis, etc.).

EDUCATION, EXPERIENCE, KNOWLEDGE, SKILLS, ABILITIES
1. 5 years managing people a plus
2. Experience with media
3. Experience with development
4. Experience in design
5. Bachelors degree
6. Working knowledge of Microsoft Word and Excel
7. Customer service experience
8. Familiarity with Spay/Neuter Alliance methods and protocols a plus

JOB REQUIREMENTS
1. Must be able to learn basic veterinary medical concepts including but not limited to vaccine protocols and anesthetic risks
2. Will be asked to communicate with the public on a daily basis in a professional manner
EMOTIONAL/MENTAL REQUIREMENTS
1. Must be able to work under stressful conditions and work efficiently and effectively under those conditions
2. Must be able to cope with death either due to surgical complication or euthanasia
3. Ability to rapidly and accurately process information
4. Ability to delegate tasks and make decisions

WORK ENVIRONMENT
The offices and operations of a high volume spay/neuter clinic can be high stress and very busy at times. The schedule can change and may require weekend or evening hours to complete the job. Can include working some holidays, depending on clinic needs. Traveling and training often requires travel on weekend days. Candidate must be flexible with schedule changes on short notice.
