

There's a cat for that.

The smartphone screen shows a grid of cat profiles and icons. The profiles are arranged in three rows of three. The first row includes 'Lap Warmer' (black and white cat), 'Alarm Clock' (orange cat), and 'Spiritual Guide' (dark grey cat). The second row includes 'Play Partner' (calico cat), 'Laser Chaser' (grey tabby cat), and 'Purr Machine' (black and white cat). The third row includes 'Chatterbox' (white cat), 'Nap Partner' (orange cat), and 'Fan Club' (grey tabby cat). Below the grid are three icons: a ball of purple yarn, a purple paw print, and a purple mouse. At the bottom center is a circular logo with the text 'arf' and a small cat icon.
